FILED

SECOND MOTION TO EXPAND THE RECORD

In accordance with Rule 7 of the Rules Governing §2255 Proceedings and this court's order of December 11, 2012, I seek to expand the record to include the attached affidavits, depositions, and transcripts. I anticipate at least one and possibly two more motions to expand as additional transcripts and other affidavits are available. Again because of the volume of supporting evidence and because of the inherent difficulties in processing documents from prison, I thought it best to submit the documents when ready. This also has the benefit of keeping each filing smaller and less overwhelming for the clerk and government to process.

Wherefore, I respectfully request this court expand the record to include the attached document.
