

UNITED STATES DISTRICT COURT
MIDDLE DISTRICT OF FLORIDA
ORLANDO DIVISION

Frank Louis Amodeo,
Movant,

Case No.:
6:12-cv-641-Orl-28DAB

v.

United States of America,
Respondent.

SEVENTH MOTION TO EXPAND THE RECORD

Recent developments have generated new evidence and new facts relevant to my motion generally, many claims particularly, and the government's defenses to my contentions. Accordingly, I once more move to expand the record to include the items contained in the appendix attached. The authority to expand the record arises from both decisional authority and promulgated rule. Since the evidence likely resolves disputed contentions, especially concerning timeliness, the evidence's inclusion in the record conserves judicial resources by eliminating the need for evidentiary proceedings on the government affirmative defense. Rules Governing §2255 Proceedings R. 7 (2013); Cf. *Harris v. Nelson*, 394 U.S. 286, 300 (1969); Cf. also, *Brown v. United States*, 720 F.3d 1316 (11th Cir. 2013); *Raines v. United States*, 423 F.2d 526, 529-30 (4th Cir. 1970).

Therefore, I respectfully request this court to expand the record to include the items in the appendix.

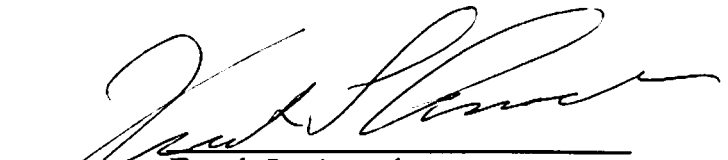

Respectfully submitted by:
